Short course certificate in

LEADERSHIP DEVELOPMENT FOR TRADE POLICY AND DEVELOPMENT (LD4TPD)

Information supplement

The course equips participants with an overview and understanding of how leadership development influences different aspects and actors involved in trade, trade policy and the development processes of developing countries with Zambia as a case in point in the context of multilateral trade and environmental sustainability frameworks. It focuses on knowledge and skills acquisition through practical exercises embedded in the following core units:

1. **Leadership Development**
2. **Trade, Sustainable Development and Gender**
3. **Trade Policy Architecture**
4. **Special and differential treatment**
5. **Trade in goods (General)**
6. **Special rules for trade in agriculture**
7. **Special rules for trade in manufactured goods**
8. **Trade in services**
9. **Intellectual property rights (IPRs)**
10. **Data for trade policy**
11. **Implementing trade policy**
12. **Trade negotiations and cooperation**
